

**PLATE FROM STOCK
& GLOBAL SUPPLY
NETWORK**

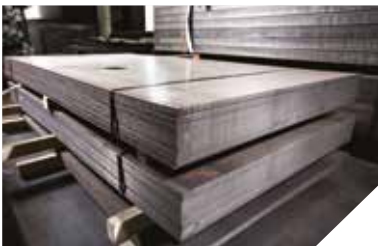

WATSON-TOWERS LTD

PREMIUM PLATE PRODUCTS

As a successful business with 50 years experience, Watson-Towers knows the importance of stocking a wide and varied range of plate materials to service a diverse and ever-changing marketplace

In addition to our standard plate stock we have built an extensive global supply network enabling us to meet any plate requirement, large or small.

From smaller bespoke requirements of just a few tonnes to much larger rolled to size, more complex packages, we can offer solutions for any plate requirement you may have.

**Thickness range:
1mm up to 500mm thick**
